

Newsletter FWC

You know the saying “time flies when your having fun” well time flies when you shift house. I can’t believe that it is September already. I think we have settled in to our new residence.

On the camp front, things are looking okay. We have had the usual wet weather and the camp has had its share of flooded roads and mud.

Financial details for the year are shown below.

Christmas camp registrations are available on line. The first meeting will be Monday 26th Dec, @ 7:30pm. Last meeting Sunday 8th January 2012.

New Years eve theme – CIRCUS. Come as an acrobat, a juggler, the strong man, an animal trainer, clown, trapezist, a circus animal. Why not prepare a circus themed skit.

Major works in September. During the September school holidays, the showers in the men’s new amenity block will be closed off. We need to dry out the concrete and re-apply the surface sealant to the shower drain.

In March 2012, the YP are holding their international rally at FWC. If your van is available for interstate guests, please see Joel Murray or myself. The last YP rally at FWC was excellent. Please considering supporting our YP’s.

Fees.

Unfortunately I have had to raise camp fees. Please make every effort to pay your fees on time. The camp many large expenses and is self funding.
